Vandalism at CTL: An unknown person(s) smashed the windows of our meeting room doors on the night of July 8. No one entered the building; nothing was stolen. Our go-to building volunteers, Joe Cleberg & Dave Andrade, boarded up the damage securely. Glass was replaced July 14. We are thankful that no one was injured and we pray for healing and help for the individual(s) who took out their anger/despair on our building.

Donations and pledge payments to support CTL and our ministries may be given at <https://christthelord.gvtls.com>, or by sending a check to the church.

Baptism at CTL: We are so pleased to welcome a new family, the DeLaras, and their daughter Shelsea Blue DeLara, who will be baptized on July 24. Due to our COVID-precautionary occupancy limits, this will be a private service including only the family, their guests and the worship team. However, if you wish, please feel free to write a card welcoming Shelsea Blue and her family to CTL - by USPS mail or just drop the card in the CTL mailbox at the church any time until July 24.

NEW: Zoom climate change video & chat with CTL'ers: Interfaith Power & Light is sponsoring a free CTL viewing of "Other Side of the Hill, rural perspectives on a changing climate". A 30-min video with chat amongst ourselves to follow. Where can East & West, Republicans & Democrats, find the common ground needed to address climate change? How can industry and environmentalists work hand in hand? How can local economies find opportunity in a lower emissions future? This important story will inspire you to reach out and bridge the divide. We are more alike than we are different. See the video trailer [here](#).

Changed time for communion element pickup-July 24: Due to scheduling of the baptism service, communion packets for our online Holy Eucharist service, July 25th, will be available for pickup at CTL from 2:30 pm - 4 pm on Saturday, July 24.

Webinar series on Bay Area housing crisis: Episcopal Impact Fund presents a 2-part webinar (July 29 & Aug 19, 7-8 pm) examining the post-COVID housing crisis: how we got here & what we can do to achieve a better future for all residents of the Bay. For information + registration, click [here](#).

Pastoral visits: Rev. Lois is available for either in-person or Zoom pastoral visits. Please email or text her (408-655-3084) to setup your visit.
