July 22 Zoom climate change video & chat: Interfaith Power & Light is sponsoring a free CTL viewing of "Other Side of the Hill, rural perspectives on a changing climate". Please join Rev. Kate and Sandy for a 30-min video with chat amongst ourselves to follow. Where can East & West, Republicans & Democrats, find the common ground needed to address climate change? How can industry and environmentalists work hand in hand? How can local economies find opportunity in a lower emissions future? No matter where you are located this important story will inspire you to reach out and bridge the divide. We are more alike than we are different. See the video trailer [here](#). **Email Sandy for the Zoom access info.**

Baptism at CTL: We are so pleased to welcome a new family, the DeLaras, and their daughter Shelsea Blue DeLara, who will be baptized on July 24. Due to our COVID-precautionary occupancy limits, this will be a private service including only the

family, their guests and the worship team. However, if you wish, please feel free to write a card welcoming Shelsea Blue and her family to CTL - either by USPS mail or just drop the card in the CTL mailbox at the church any time until July 24.

Changed time for communion element pickup-July 24: Due to scheduling of the baptism service, communion packets for our online Holy Eucharist service, July 25th, will be available for pickup at CTL from 2:30 pm - 4 pm on Saturday, July 24.

Webinar series on Bay Area housing crisis: Episcopal Impact Fund presents a 2-part webinar (July 29 & Aug 19, 7-8 pm) examining the post-COVID housing crisis: how we got here & what we can do to achieve a better future for all residents of the Bay. For information + registration, click [here](#).

Wildfire Relief Donations: The Diocese of California Disaster Preparedness Commission is partnering with the American Red Cross to raise funds during Fire Season 2021.
